ABOUT US

Cibi Nigeria Limited is a Kaduna based indigenous granite quarrying and processing company established in 1992.

Cibi has over the years been involved in the manufacture and supply of first choice quality Nigerian Granite for use in building construction and renovation projects across the country.

Cibi has become one of the foremost leaders in the Nigerian Dimension Stone Industry with notable projects in Kaduna, Abuja and other parts of the country.

Our granite products come in a variety of over 12 colors and striking patterns and include:

- Wall & Floor Tiles
- Threads & Risers
- Skirtings
- Slabs
- and other fabricated products made of stone such as tombstones, tables, stools, etc.

CIBI GRANITE

The Quality Partner for
your Granite Works!

OUR EXPERIENCE

We have established a reputation for high quality craftsmanship and customer friendly service that has enabled us to become a leader in the Nigerian Dimension Stone industry, building up an impressive portfolio of clients. Employing state of the art Italian technology and machinery, the company produces first choice granite tiles and slabs that are well calibrated with even thickness and mirror finish.

Our objective is to ensure that clients always find a granite solution that fully meets their aesthetic, quality, maintenance and financial expectations which is why high quality and maximum production efficiency are at the core of CiBi's cultural approach to all projects. All CiBi's production is subject to strict quality control checking procedures, to ensure all delivered products conform to the Client's specific requirements. With a production capacity of about 10,000m² per month, we are confident that we can meet clients orders on time and within budget however large or small your needs may be.

Whether for new construction, modernisation or renovation, granite cladding and flooring will add elegance and endurance to both the client's image and your design. It is also affordable and adds a timeless beauty to your project. Just contact CiBi Granite today; we can share your ideas right from the design stage to project completion.

We pride ourselves as The African Granite Masters

We are constantly exploring the abundant and exquisite varieties of Nigerian Granite to ensure our ability to provide our clients with the widest range of products available.

**We also undertake quality engraving services
on both marble and granite.**

OUR TILES

Cibi's Granite Tiles are 100% Nigerian with exotic colours, striking patterns and elegant beauty. The tiles are of international standard first choice quality. They are well calibrated with even thickness, squared edges and mirror-finish surfaces making it a preferred alternative to the second choice foreign imports.
